4a (Code:) (Expenses \$ **501,086** including grants of \$) (Revenue \$)

ESA Defense: Safeguarding the federal Endangered Species Act - The focus of the Coalition's work is to build a broad coalition of supporters and champions of endangered species and advocate for increased funding, stronger protections and greater implementation of the Endangered Species Act with decision makers including the administration. This includes our on-the-ground work to protect keystone species, including gray wolves, grizzly bears, and orca.

4b (Code:) (Expenses \$ **110,777** including grants of \$) (Revenue \$)

Protecting Keystone Species: Given the increased risk to species from climate change, it is imperative that we chart a course for increasing protections, preparing for a favorable national political landscape. Two areas are particularly key to species survival and possible to implement in states now. First, we advocate for local and state policies, city and county resolutions, and state bills to build a grassroots movement in support of connectivity for plants and wildlife. Second, we work to provide protections for pollinators through policies and hands on restoration of habitat.

4c (Code:) (Expenses \$ **265,500** including grants of \$) (Revenue \$)

Movement Building: The focus of the Coalition's work is to address the root causes of wildlife declines by ensuring inclusive participation in Democracy. The Coalition will provide training to individuals and youth, partner with communities to advocate for equitable access to biodiversity, leverage art's potential to engage audiences and shift cultural values regarding conservation and increase voter turnout from the conservation community.

4d Other program services (Describe on Schedule O.)

Form 990 - Organization's Mission

The protection of endangered species and their habitat:

The Endangered Species Coalition (ESC) works to ensure that the nation's programs and laws protecting endangered species and habitat are fully funded and enforced. This has been accomplished by educating the general public about all the threats to the laws. The best way to do this is through grassroots mobilization. The organizers in the states have worked on local, state and regional campaigns in their respective states. ESC works with members of other organizations and activists in their respective states to protect specific species. ESC also maintains a website that contains fact sheets and action alerts about issues they are working on.
